

permit applications for activities described in detail in an amended or new OCS plan which has received State agency concurrence shall be sent by the person to the State agency to allow the State agency to monitor the activities. Confidential and proprietary material within such applications may be deleted.

**§ 930.85 Continuing State agency objections.**

If the State agency objects to the consistency certification for an amended or new OCS plan, the prohibition in § 930.81 against Federal agency approval of licenses or permits for activities described in detail in such a plan applies, further Secretarial review pursuant to subpart H may take place, and the development of an additional amended or new OCS plan and consistency certification may be required pursuant to §§ 930.83 through 930.84.

**§ 930.86 Failure to comply substantially with an approved OCS plan.**

(a) The Department of the Interior and State agencies shall cooperate in their efforts to monitor Federally licensed and permitted activities described in detail OCS plans to make certain that such activities continue to conform to both Federal and State requirements.

(b) If a State agency claims that a person is failing substantially to comply with an approved OCS plan subject to the requirements of this Subpart, and such failure allegedly involves the conduct of activities affecting the coastal zone in a manner that is not consistent with the approved management program, the State agency shall transmit its claim to the U.S. Geological Survey supervisor for the area involved. Such claim shall include: (1) A description of the specific activity involved and the alleged lack of compliance with the OCS plan, and (2) a request for appropriate remedial action. A copy of the claim shall be sent to the person and the Assistant Administrator.

(c) If, after a reasonable time following a request for remedial action, the State agency still maintains that the person is failing to comply substantially with the OCS plan, the governor

or section 306(c)(5) State agency (see § 930.18) may file a written objection with the Secretary. If the Secretary finds that the person is failing to comply substantially with the OCS plan, the person shall submit an amended or new OCS plan along with a consistency certification and supporting information to the Secretary of the Interior or designee and to the State agency. Following such a finding by the Secretary, the person shall comply with the originally approved OCS plan, or with interim orders issued jointly by the Secretary and the U.S. Geological Survey, pending approval of the amended or new OCS plan. The directives within §§ 930.83 through 930.85 shall apply to further State agency review of the consistency certification for the amended or new plan.

(d) A person shall be found to have failed substantially to comply with an approved OCS plan if the State agency claims and the Secretary finds that one or more of the activities described in detail in the OCS plan which affects the coastal zone are being conducted or are having a coastal zone effect substantially different than originally described by the person in the plan or accompanying information and, as a result, the activities are no longer being conducted in a manner consistent with the State's management program. The Secretary may make a finding that a person has failed substantially to comply with an approved OCS plan only after providing a reasonable opportunity for the person and the Secretary of the Interior to review the State agency's objection and to submit comments for the Secretary's consideration.

**Subpart F—Consistency for Federal Assistance to State and Local Governments**

**§ 930.90 Objectives.**

The provisions of this subpart are provided to assure that Federal assistance to State and local governments for activities affecting the coastal zone is granted only when such activities are consistent with approved coastal zone managements programs.
